

BIG QUESTION

Are all humans one family?

Paul said, “From one man he made all the nations.” Many nations named in Genesis 10 turn up in Egyptian, Assyrian, and Greek records.

Your DNA and a stranger's from across the world differ in about one letter in a thousand.

At Babel, God scattered the nations. At Pentecost, people from every nation heard the wonders of God in their own languages.

Find the words

Find each word from the video. Words go across, down, and on the slant.

Memory verse

“The heavens declare the glory of God; the skies proclaim the work of his hands.”

Psalm 19:1

Fill it in: “The _____ declare the _____ of God; the _____ proclaim the work of his _____.” Psalm 19:1

I can say it! ☆ ☆ ☆ Color a star each time you say it.

Talk about it

1. Why does it matter that every person is made in God's image?
2. What happened at Babel, and what happened at Pentecost?
3. How could you treat someone at school more like family?
