

A real man

BIG QUESTION

Was Jesus a real person?

Yes! Jesus was a real man. He lived about 2,000 years ago in the land of Israel.

Even people who were not his followers wrote about him, like a Roman writer named Tacitus.

Diggers found a big stone with the name of Pontius Pilate carved on it. He was the ruler in Jesus's story.

People copied the Bible by hand so carefully that we still have thousands of old copies today.

Jesus is not a fairy tale. He really lived!
