

BIG QUESTION

Did they get the details right?

Luke says he “carefully investigated everything.” So people checked. In 1961, diggers found a stone carved “Pontius Pilatus... Prefect of Judea.”

In 1990, workers found a bone box marked “Joseph son of Caiaphas,” the high priest. A letter carved in stone at Delphi names Gallio as proconsul, just as Acts does.

And John says Philip was from Bethsaida. That's why Jesus asked Philip where to buy bread near that town.

Talk about it

2. How did two Gospels together answer “Why ask Philip?”
3. Luke wrote so you could be sure. What would help you be sure about Jesus?
