

BIG QUESTION

Did Jesus really die?

On Friday, Pilate had Jesus flogged and handed over to be crucified. Mark says, “It was nine in the morning when they crucified him.” At three in the afternoon, Jesus cried out and breathed his last.

Before sunset, soldiers came to break the legs of the men on the crosses. Jesus was already dead, so a soldier pierced his side with a spear instead.

Pilate checked with the centurion before he gave Joseph of Arimathea the body. Joseph laid it in a tomb cut out of rock.
